

## EDUCATION

---

- **International Institute of Information Technology** Hyderabad, Telangana  
*M. Tech in Computer Science* July. 2018 – Present
- **Institute of Engineering And Technology, DAVV** Indore, Madhya Pradesh  
*Bachelor of Engineering in Information Technology: 83.94%* July. 2013 – May. 2017
- **Shri Devi Ahilya Shishu Vihar** Indore, Madhya Pradesh  
*HSC (12th): 79.20%* May. 2013
- **Shri Devi Ahilya Shishu Vihar** Indore, Madhya Pradesh  
*SSC (10th): 85.33%* May. 2011

## EXPERIENCE

---

- **Accenture Solutions Pvt. Ltd** Pune, Maharashtra  
*Associate Software Engineer* July 2017 - June 2018
  - **Salesforce:** Designed and Developed CRM applications as a part of salesforce development team.

## TECHNICAL SKILLS

---

- **Programming Languages:** C/C++, Java.
- **Web Technologies:** PHP, JSP and Servlet, HTML, CSS, JavaScript, Bootstrap, Salesforce, Visualforce pages, Apex Triggers.
- **Databases:** MySQL.
- **Scripting:** Python, Bash.

## PROJECTS

---

- **Terminal-File-Explorer** <https://github.com/anujbansal16/Terminal-File-Explorer>  
*C++*
  - **Abstract:** A console based File Explorer operates on linux terminal. It provides an interface to the users for managing the files and directories thereby performing various operations on them. The most common operations, a user can perform on files or groups of files include creating, opening, renaming, moving or copying, deleting and searching for files, and taking snapshot of a directory.
- **Online Feedback System with Topic Modelling** *BE Project*  
*JSP,Servlets,HTML,CSS,Bootstrap,Javascript,MALLET Tool*
  - **Abstract:** We have developed a portal to automatize the process of taking feedback manually for institute IET-DAVV. Through the portal we not only takes the feedbacks online but statistical and graphical analytical report is also generated by the system based on the feedbacks. We also have summarized the comments provided in the feedback forms reported by the students using the concept of Topic Modeling.
- **Inspirit-A web portal for programmers and geeks** <https://inspirit.net.in>  
*PHP, Bootstrap, MySQL*
  - **Abstract:** Inspirit is an initiative to spread knowledge and generate awareness about Information Technology by providing a portal to learn, practice, discuss anything and everything related to IT i.e. (videos,articles,ebooks and much more).

## ACHEIVEMENTS

---

- **Amongst 99.19 percentile** in Gate-CS 2017.
- **Secured 65th state rank**, The finals of 6th SOF-International Mathematics Olympiad.
